What is Apostasy?

First understand what is Apostasy? It is the process of abandoning Islam and adopting another religion. Muslim Girls eloping with Non-Muslims and abandoning Islam for the sake of fake love has become a heinous issue in our society these days. In the name of schools and colleges, Muslim Girls are seen in parks with their boyfriends, going on long drives with non muslims and even caught red handed with non muslims in hotels. These actions of muslim girls are making headlines and becoming viral in social media platforms these days. These news act as a lightning strike on the parents. Embarrassment in the society and Muslim Girls abandoning Islam are nothing less than a curse to the family. Because of these actions the younger sisters have to suffer, lives are ruined. Phone numbers are exchanged between a muslim girl and a non muslim in the name of notes and project dissertation. Later Birthday celebration together, exchanging of gifts, college tours, cultural programmes are those things which brings a muslim girl close to non muslims and eventually turns into a severe cancer and it becomes incurable with time.

Current Scenario of India

News coming thick and fast from several districts of India that muslim girls are abandoning islam and getting married to non muslims and therafter there are incidents where muslim

girls are treated harshly. Anti-Islamic Organizations are targeting Muslim Girls with a proper planning. In such a situation, the protection of Muslim Girls becomes the matter of utmost urgency. What are the horrible plans behind this wave of Apostasy? What should be done to eradicate this? We need to pay attention but our Islamic Organizations are on a sabbatical leave in this case.

Current behaviour of the daughters of muslim community

There's no doubt that the excessive inclination of Muslim Community towards the European Culture has separated the Muslim community from Islamic traditions. There was once a time when Muslim Girls would go outside only when it was absolutely necessary but things have changed now and Muslim Girls are seen roaming around in the markets and other public places. It's a tragedy that a parent doesn't care to question the actions of their daughters roaming around with their boyfriends (so-called classmates). There's no definition of shame in European countries and Muslims feel proud on adopting their cultures. Handshaking, dancing, meeting alone, going for excursions are those activities involving men and women and the people who doesn't deem these activities bad are deprived of high morals. Glory of Islam was visible to everyone when Muslims were ahead of all communities in all stages of development and veiling was prevalent. Muslim women were regarded as an empress of

dignity, they used to preach and were an eloquent speaker. Muslim women would take part in Islamic Battles with veils and served as a nurse.

Some news regarding Apostasy and methods of Apostasy

There are countless petty thieves to plunder the scanty wealth of this world and we are well prepared. But how well are we prepared against the potent thieves of Faith (Imaan). The storm of apostasy is coming to our homes rapidly. There are some horrific incidents regarding apostasy. This is an incident from UP Chhindwara where a Muslim Girl named Rizwana first converted to hinduism and then got married to a non muslim guy named Siddhartha. Later Siddhartha killed Rizwana by strangling her.

(Baseerat online newspaper 28 mar 2021)

Another incident of apostasy

This is an incident from Bihar, District Khagaria. A Muslim Girl named Afsana first converted to hinduism and then got married but later the guy abandoned her.

A news has surfaced on social media on 5th February 2022 where a Muslim Girl, Muskan from Hardoi told via a video that three and a half years ago she became friend to a non muslim guy, Arjun Gupta from Bareilly Cantt. Later this friendship turned into love and Muskan was converted to hinduism and

they got married. Later Arjun Gupta abandoned her and now she has no one to turn to.

Numerous Muslim Girls are trapped in the storm of apostasy and they have no one to turn to. The Non Muslims first get close to Muslim Girls via Whatsapp, Facebook, Instagram, School, Coaching and then acts as if they can die for her. They promise to tie knot with her. Later the Muslim Girls are coaxed into leaving Islam and this led to Apostasy.

In other words, Non Muslim boy and a Muslim Girl get close, gradually this closeness turns into love and then love turns into lust and finally turns into marriage and eventually this led to the brink of apostasy.

What are the reasons behind this wave of Apostasy? Let's try to find out the causes and its solution because tears will bring nothing. Reasons must be assessed for the reformation.

Factors affecting apostasy

(1) Television

The way Islam is presented in the movies and dramas is something we all are aware of. European filthy and rubbish culture are promoted via television and Muslim Girls feel proud on adopting their cultures. Evil and obscenity are promoted in the name of women's advancement.

(2) Co-education

Modern Co-education system is prevalent from the floor of school to the roof of college. It has provided a firm base for

Apostasy. Muslim Girls and non muslim boys get closer to each other via this system.

(3) Distance from Islamic Knowledge

Who are we? And Who are Europeans? It's a pity that we can't differentiate. Right from the birth, a Muslim is kept away from Islamic traditions and high morals and because of this a Muslim keep getting away from the wealth of faith (Iman). Their (The Europeans) hearts and souls are contaminated with wickedness but Muslims are still attracted to their filthy cultures. It is obvious that such a tendency towards others eventually lead to apostasy.

(4) Delay in Marriage

One of the reasons behind apostasy is pointless delay in marriage. Parents should marry their daughters at the right age. Some parents wait so that their daughters can get a job. But the glory of Islam is prior to a job.

Some ways to prevent apostasy

You can serve Islam by preaching, writing or even joining an organization. You can contribute to the reformation if you assess your potential and abilities. Islamic Scholars, intellectuals and Islamic organizations have to come forward and work on the ground level to stop the wave of apostasy. We have to instill a sense of revolution in the hearts of the daughters of Hawwa so that their hearts bow down to Islamic laws. Some of the methods are stated below.

(1) If the reformation is done by organizations, light must be shed on the cases regarding apostasy and the reasons behind this. Because the treatment is futile if you are unaware of the disease. There must be discussions regarding the importance of Islam as it is the only way to succeed in this world and hereafter. Instructional and intellectual training, workshops should be set up for the betterment of Muslim Girls. Social media platforms can be used to create religious awareness as most of the muslim girls are connected to social media.

(2) If the prevention of apostasy is done by preaching then it depends upon the preacher on how well he delivers his sermon. The imam from the minbar (pulpit) of the mosque to the gatherings of women must preach the authenticity of Islam. A weekly religious program for Muslim Women should be set up in every locality. These programs can be used to deliver the importance of shyness in Islam, rules of marriage and other issues regarding women because ignorance is one of the biggest reasons behind apostasy.

(3) If the prevention of apostasy is done by oration. Imams from their Minbars, Islamic teachers from their educational institutions and orators from the stages of congregation can introduce apostasy and the ways to prevent it. They should also explain the importance of shyness in Islam and the concept of monotheism in Islam.

(4) If the prevention of apostasy is done by writings, our prolific writers can publish articles and booklets on the topic of Apostasy. Then the books can be given to the parents.

(5) The prevention of apostasy can be done by parents as well. Even a ten minutes mini session can be of great help. The faith (Iman) of a kid can be strengthened by persistent instructions. The importance of veiling in Islam should be taught to the children. Parents should keep an eye on the manners and habits of their daughters who are going to school or college. With the above mentioned methods, Apostasy can be crushed and if these efforts are influenced by Islamic teachings then our daughters remain unscathed from apostasy (Insha Allah), provided that we follow the methods sincerely and consistently.

How can we make a better society of shyness

(1) Parents should educate their children in an Islamic Environment, high morals should be taught from the beginning. It is extremely important for a parent to possess high morals because a kid learns more by watching and imitating. The action of a parent impact a kid a lot.

(2) The lap of a mother is the first school of her kid. That's why a mother should edify her child with good morals and avoid worthless talks. In most of the cases a mother is the root cause behind the bad character of a girl.

(3) Dramas and serials are deadly poison for kids. It teaches nothing but obscenity. Supplications, laws of salah, Kalimah are those things which should be encouraged to watch in place of dramas and serials.

(4) Holy Qur'an and biography of Rasool must be taught.

(5) If you give the smartphone to your kid, install protection apps first so that your kid remain unscathed by sexual anarchy. And replace YouTube with YouTube-kids.

(6) Instruct your kids for Salah when he/she reaches the age of 7 and make your daughters wear veils so that they get use to it.

(7) Separate the beds when a kid reaches the age of 10 and teach them the difference between mahram and non-mahram.

(8) Treat the 7-14 aged kids as a slave and punish them to an extent as well so that a good character can be built.

(9) Treat the 14-21 aged kids as a friend so that they can share their problems with you rather than others. The possibility of straying from the right path is high in these ages and one of the causes behind this is the weak relationship between a parent and the kid. Parents are busy in their own life and don't look upon their kids and this results in shameful

actions. So, it is important for a parent to be their kid's best friend.

(10) Why there is a password on their smartphones? How many sim cards do they have? From where they are getting their recharge? These are the questions a parent must ask their kids. Once in a week parents should inspect their kid's smartphones. Parents should also check if their kids are going somewhere else in the name of schools and colleges.

(11) One of the reasons behind a girl's bad behavior is her friendship. Parents should instruct their daughter to avoid such friendships.

(12) If you edify your kids to this age then your children will become a figure of shyness (Insha Allah). After that marry your children and fulfill your rights.

I pray to Allah for the protection from this evil apostasy and guide us towards the the commands of Allah and the teachings of Rasool. AAMEEN

Don’t just read, contemplate as well!

Tum Bhi Maari Jaaogi

Pahle chahat fir nigahon se utari jaogi,
aabroo bhi jayegi aur tum bhi maari jaogi.

Tum phirogi darbadar ruswaayi aur zillat ke sath,
Betiyon! jab chhodkar nisbat hamari jaogi.

Ye to ek saazish hai warna tum nahi unko qubool,
kal wahi nafrat karenge'n aaj pyaari jaogi.

Jis ghadi dil bhar gaya koṭhe pe bechenge tumhein,
Daag lekar hogi wapas aur kunwaari jaogi.

Jis ke dam par ghar se nikli kal wo jab dega fareb
soch lo kis samt fir tum panv bhari jaogi.

Izzat-o-azmat ganwa kar muuh dikhaogi kise,
karte karte duniyaan se tum AAH-O-ZAARI jaogi.

Utrega thode dino'n mein hi javani ka nasha,
zulm ki aagosh mein jab baari baari jaogi.

Koi mazhab dena payega tumhein aisa hisaar,
chhod kar islaam ki jab paasdaari jaogi.

Hai shariat hi tumhari paasbaa'n aye beṭiyon!
Daman-e-islaam mein hi tum sanvaari jaogi.

Pyaari Behno'n iffato sharmo haya apnao to,
Dekhna phir noor-e-haqq se tum nikhari jaogi.

Tumko kuchh shikwa tha, to apno se hi kar deti bayaa'n,
itne par kya dusro ki tum aṭari jaogi.

Aah dozkh ko kharida tum ne imaa'n bech kar,
aah ab roze jaza tum ban ke naari jaogi.

Roti hai chashme fareedi dekh kar anjam-e-bad,
gar na Sambhlogi to lene sirf khawari jaogi.
